Dear Mr Chairman / Уважаемый господин Председатель!

As you already know the application for full membership in the European Organization of Regional External Public Finance Audit Institutions (EURORAI) submitted by the Chamber of Control and Accounts of Krasnodar Region was accepted by the EURORAI Management Committee at its last meeting held in Linz on 16 October 2019. In accordance with the applicable provisions of EURORAI, the General Assembly then also confirmed the joining of the new member at its meeting held on 18 October within the framework of the X Congress.

With regard to the payment of the yearly membership fee, please note that the first membership fee will only be due for next year. You will receive the call and the necessary information for the payment of the fee from the General Secretariat at the beginning of the year.

On behalf of EURORAI and all its members I welcome the Chamber of Control and Accounts of Krasnodar Region as new member of our Association and I am sure that this will be the beginning of an intense co-operation and exchange of experiences in the future. Attached to this letter you will find the certification of membership of the Chamber within EURORAI. As the institution you preside chose the English language for all communications, we will send you most of the material in this language.

Looking forward to meeting you again on the occasion of one of EURORAI's future events.

Yours sincerely / С уважением,

Vicent Cucarella Tormo
Secretary General of EURORAI
President of the Audit Office of the Valencian Autonomous Region
